PRESIDENT'S MESSAGE

The Manufacturers and Tent Renters Association has seen an amazing year as it continues to be a steward of the tent and event industry.

Our 2025 Conference brought us to the Grandover Resort and Spa in Greensboro, NC! Members enjoyed an impressive outdoor display with the latest innovations in the tent industry, the Sledge Invitational Golf Tournament, engaging educational content, exciting games, a PPE Fashion Show and entertaining evening events.

The Safe Tenting Professional Certification has had a momentous year and some participants have reached their Level One Certification after completing Essentials of Tent Anchoring/Ballasting, Essentials of Frame Tent Installations and Essentials of Pole Tent Installation. Since the launch, installers all over the US have attended many in-person training sessions hosted by MATRA, ARA & ATA and it is wonderful to know there are hundreds of business owners and installers who are investing in their future and who will contribute to a safe and knowledgeable industry of tenting professionals.

In January of this year we introduced our new management company CAM (Chicago Association Management) and we look forward to them taking MATRA into a new era of communication and camaraderie within the MATRA community.

Our Events and Education committees planned and executed phenomenal programs for Spring Training hosted by Colorado Party Rental of Denver, CO as well as Curated Events in Frederick, MD. The days were packed with valuable education, impressive facility tours and fun evening social events. I'm grateful for our hard-working board of directors, committees and management team for all they contribute to make this association and the events we produce amazing!

Coming Up! July 22-23 we are hosting a two-day certification program where participants can achieve their completed Level One Safe Tenting Professional Certification. Join us at Harrah's Casino in Atlantic City!

In fall 2026, The Tent Show will be returning to Harrah's Casino in Atlantic City where we look to break our own attendance record set in 2023!
Atlantic City brings us back to our Mid Atlantic roots and we are ready to return bigger and better than ever! I look forward to seeing you all at the show November 2-5, 2026!

I wish everyone a wonderful season of safe tenting!

IAN SHERWOOD
MATRA **PRESIDENT**

EXECUTIVE DIRECTOR'S MESSAGE: **A THRILLING NEW ERA AT MATRA!**

Welcome to MATRA— the premier Manufacturers and Tent Renters Association!

It is with immense excitement and a profound sense of privilege that I step into the role of your new Executive Director this year. I am deeply honored to lead our dedicated administrative team and partner closely with the MATRA Board of Directors and our visionary leadership committees to propel our mission into a dynamic, progressive future.

Whether you are a fresh face joining our ranks or a foundational veteran who has championed MATRA since day one, thank you. Your unwavering dedication, boundless community spirit, and unmatched skills are the driving forces that make this association a true industry powerhouse.

UNSTOPPABLE MOMENTUM & STRATEGIC VISION:

We are standing on the precipice of incredible milestones, fueled by an ambitious vision and eager anticipation for everything ahead. We kicked off the year proactively with a highly collaborative, multi-day Board of Directors Retreat. During this powerful strategic visioning session, we aligned member benefits, supercharged our event timelines, and evolved MATRA's infrastructure for 2026, 2027, and beyond.

That momentum carried us right through the first quarter of 2026, where MATRA proudly hit the floor to maintain a strong presence at both the ATA and ARA national tenting industry conventions. Now, we are rolling this energy into a spectacular July as MATRA heads to Harrah's in Atlantic City for our Summer Leadership Board Meeting and the debut of our groundbreaking Summer Tent Safety Certification Event (July 22nd–23rd). This revolutionary opportunity offers installers a new model for completing all three Safe Tent Certification courses in a single location!

MATRA remains fiercely committed to year-round, industry-leading education and resources. From informative articles, member spotlights, and product showcases to scholarship opportunities, dynamic social media engagement, and quarterly eNewsletters, we are dedicated to maximizing your membership ROI. You can trust this professional association to be your ultimate business resource. Please don't forget to leverage our newly enhanced website, featuring a comprehensive, easy-to-use Members Resource page!

Facts about MATRA

MATRA was started back in 1987 as a result of a few rental companies and area vendors that desired to build a stronger relationship in the tenting industry while helping to educate rental owners about safety and new products. Since then, MATRA has continued to present area trade shows and educational conferences where the knowledge of tenting is in the forefront.

MATRA's humble beginning in the Mid-Atlantic Region has now grown considerably over the past 39 years to what is now the Manufacturers and Tent Renters Association. MATRA still is at the vanguard of being one of the best associations for the *"Tenting Professional"*.
